**MEMORANDUM OF UNDERSTANDING**

**BETWEEN**

**The Institute of Geodesy and Geophysics of the TU Wien  
and  
The Universidad de Concepcion**

**STUDENT EXCHANGE FOR RESEARCH AND STUDY**

**July 31<sup>st</sup>, 2004**

This MEMORANDUM OF UNDERSTANDING is designed to strongly promote the mutual cooperation in research and the exchange of students in the field of geodesy between the Universidad de Concepcion and the Institute of Geodesy and Geophysics of the University of Technology, Vienna. No financial obligations are assumed under this agreement.

The parties agree as follows:

- all students visiting the other party get optimal support by their academic supervisors and full access to all university facilities which are used by regular students;
- the students have to organize their financial support by their own;
- each party will try to waive the visiting students' fees and to provide them inexpensive accommodation in a student dormitory.

The present agreement is for a period of five (5) years and begins upon the date of final signatures. This time period is subject to revision and extension based on mutual consent of the signatories.

For the

Inst. of Geodesy and Geophysics (TU Vienna)

Prof. Dr. Ing. Harald SCHUH  
Head of Institute

Chair of Study Advisory Commission  
Vice-dean for Study Affairs

Date: 28. Sept. 2004

For the

Universidad de Concepcion (UDEC)

Prof. Sergio Lavanchy M.  
President

Date: 14 Sept. 2004
